THE BEST BAPTIST STORY EVER WRITTEN

"DOROTHY PAGE" is a story by Dr. E. B. Hatch of a beautiful young woman's conversion to the Baptist faith. With her open Bible and all the help she can command from books and teachers, she decides for herself. It is a scholarly, fine-spirited, conclusive story. Printed on a high grade of heavy-weight, egg-shell paper. Contains nearly 200 pages, and is beautifully bound in dark silk cloth with headbands. An oval pastel painting of the heroine is on the front cover of the book. Although the book might easily have sold for \$1.25, it is being sent postpaid for 60 cents.

If you want to make someone a present that will be good and will be appreciated, too, give "DOROTHY PAGE."

Baptist Beliefs

By
President
E. Y. Mullins

In this little book the President of the Southern Baptist Theological Seminary has given a most acceptable concise re-statement and interpretation of Baptist principles for the general reader. All the main topics of a systematic theology are discussed, though only a part of a page is given to some subjects and not more than six pages to any. Those who know Dr. Mullins' "The Axioms of Religion" and his "Why is Christianity True?" will not need to be told how well equipped he is for just this kind of terse summarizing.

The author is noted for his power of compact and crystal-like statement of denominational views and practices. He has prepared a manual for popular use and the ordinary church member will find statements which are readily grasped and illuminate the subjects presented which include the whole range of articles of faith and further paragraphs on liberty of conscience, missions, education and social service, and to which are appended the New Hampshire confession of faith and two sample covenants. This is an excellent book of reference for church members.

Grace Before Meals

Brief Prayers Arranged for Each Day in the Year

A Book Needed in Every Christian Home

Compiled by A. William Nyce and Herbert Bunyea.

This book has been prepared for the home circle in the hope that it may encourage reverence and gratitude by supplying appropriate graces to be spoken before meals at which the family meets together, and to provide a pleasing variety of form with special prayers for national feast-days without doctrinal or denominational allusions.

Avoids the Monotony of Repetition

If the form of grace which is spoken has been used over and over again in the same family, it is not unlikely that it may become merely a matter of form and lose much of its meaning and helpfulness from the monotony of constant repetition.

Practical and Useful.

In preparing and arranging these pages the editors have spared no pains to make a book that will be practical and useful. Valuable suggestions gleaned from many sources have been incorporated. It is not the product of one mind, but rather the assembled expressions of many devout servants of God, and this book as it goes forth on its mission is also an answer to numerous requests that such a volume be given to the public.

GENUINE RESURRECTION PLANTS 15c

EACH, Stamps POSTPAID

THIS marvelous work of Nature—the genuine MEXICAN RESURRECTION PLANT, sometimes called "The Rose of Jericho," possesses the magical quality of reviving within a few minutes from a brown, dry, apparently dead form to a beautiful, green, living plant. Place this apparently dead object in a saucer of water and within a few minutes it starts to open and change color. Take it out of the water, lay it on a shelf and it will dry up but is ready to come out to life again whenever watered. It lasts for many years. It is not affected by frost, disease or insects. It does not deteriorate by keeping and will resurrect five years after being laid on the shelf as easily as at day.

The dormant, apparently dead plant is a dry ball 2 or 3 inches wide; when resurrected it opens out to 6 to 10 inches in diameter. Sample sent postpaid for 15c. Prompt shipment. Address
